PROPOSED ACTION ON REGULATIONS

Information contained in this document is published as received from agencies and is not edited by Thomson Reuters.

TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, pursuant to the authority vested in it by Sections 82011, 87303, and 87304 of the Government Code to review proposed conflict-of-interest codes, will review the proposed/amended conflict-of-interest codes of the following:

CONFLICT-OF-INTEREST CODES

ADOPTION

MULTI-COUNTY: Carden Virtual Academy of
California

AMENDMENT

STATE: California Public Employees'
Retirement Systems (CalPERS)
MULTI-COUNTY: Mayers Memorial Hospital
District

A written comment period has been established commencing on **April 15, 2011**, and closing on **May 30, 2011**. Written comments should be directed to the Fair Political Practices Commission, Attention **Cynthia Fisher**, 428 J Street, Suite 620, Sacramento, California 95814.

At the end of the 45-day comment period, the proposed conflict-of-interest code(s) will be submitted to the Commission's Executive Director for his review, unless any interested person or his or her duly authorized representative requests, no later than 15 days prior to the close of the written comment period, a public hearing before the full Commission. If a public hearing is requested, the proposed code(s) will be submitted to the Commission for review.

The Executive Director of the Commission will review the above-referenced conflict-of-interest code(s), proposed pursuant to Government Code Section 87300, which designate, pursuant to Government

Code Section 87302, employees who must disclose certain investments, interests in real property and income.

The Executive Director of the Commission, upon his or its own motion or at the request of any interested person, will approve, or revise and approve, or return the proposed code(s) to the agency for revision and re-submission within 60 days without further notice.

Any interested person may present statements, arguments or comments, in writing to the Executive Director of the Commission, relative to review of the proposed conflict-of-interest code(s). Any written comments must be received no later than **May 30, 2011**. If a public hearing is to be held, oral comments may be presented to the Commission at the hearing.

COST TO LOCAL AGENCIES

There shall be no reimbursement for any new or increased costs to local government which may result from compliance with these codes because these are not new programs mandated on local agencies by the codes since the requirements described herein were mandated by the Political Reform Act of 1974. Therefore, they are not "costs mandated by the state" as defined in Government Code Section 17514.

EFFECT ON HOUSING COSTS AND BUSINESSES

Compliance with the codes has no potential effect on housing costs or on private persons, businesses or small businesses.

AUTHORITY

Government Code Sections 82011, 87303 and 87304 provide that the Fair Political Practices Commission as the code reviewing body for the above conflict-of-interest codes shall approve codes as submitted, revise the proposed code(s) and approve it as revised, or return the proposed code(s) for revision and re-submission.

REFERENCE

Government Code Sections 87300 and 87306 provide that agencies shall adopt and promulgate conflict-of-interest codes pursuant to the Political Reform Act and amend their codes when change is necessitated by changed circumstances.

CONTACT

Any inquiries concerning the proposed conflict-of-interest code(s) should be made to **Cynthia Fisher**, Fair

Political Practices Commission, 428 J Street, Suite 620, Sacramento, California 95814, telephone (916) 322-5660.

AVAILABILITY OF PROPOSED CONFLICT-OF-INTEREST CODES

Copies of the proposed conflict-of-interest codes may be obtained from the Commission offices or the respective agency. Requests for copies from the Commission should be made to **Cynthia Fisher**, Fair Political Practices Commission, 428 J Street, Suite 620, Sacramento, California 95814, telephone (916) 322-5660.

TITLE 4. DEPARTMENT OF ALCOHOLIC BEVERAGE CONTROL

TITLE 4. BUSINESS REGULATIONS DIVISION 1. DEPARTMENT OF ALCOHOLIC BEVERAGE CONTROL

ARTICLE 24. Department of Alcoholic Beverage Control — Conflict of Interest Code Section 150. General Provisions

NOTICE OF PROPOSED RULEMAKING

The California Department of Alcoholic Beverage Control (ABC) proposes to amend its conflict of interest code pursuant to Government Code Sections 87306 as described below after considering all comments, objections, and recommendations regarding the proposed action.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

ABC proposes to amend Title 4, California Code of Regulations, Section 150 pursuant to Government Code Section 87306 and FPPC Regulation Title 2, California Code of Regulations, Section 18750. These laws require designated officials and employees to file statements of economic interests with their agencies. Section 150, along with an attached Appendix, sets forth designated officials and ABC employees required to file statements of economic interests. It also specifies disclosure categories for these employees.

The purpose of this proposed amendment is to remove two classifications from the list of designated employees that are no longer used by ABC, and to add a new classification of employee (General Counsel) to the list of designated employees that make and partici-

pate in the making of decisions that may foreseeably have a material effect on economic interests and should therefore file a statement of economic interests. The purpose is also to reflect the Department of Personnel Administration and the State Personnel Board's consolidation of several department-specific Investigator classifications, including ABC's. The impact on ABC is the consolidation of the Investigator Trainee classification to Investigator Assistant and the consolidation of both the Investigator I and II classifications to a single Investigator classification. Although the job titles have changed, the duties/job descriptions of the Investigator classifications have not.

PUBLIC HEARING

ABC has not scheduled a public hearing on this proposed action. However, ABC will hold a hearing if it receives a written request for a public hearing from any interested person or his or her authorized representative no later than 15 days before the close of the written comment period.

WRITTEN COMMENT PERIOD

Any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action to ABC. The written comment period closes at **5:00 p.m. on June 1, 2011**. ABC will consider only comments received at the ABC Headquarters Office by that time. Please submit comments to:

Susie Smith, Regulations Coordinator
Department of Alcoholic Beverage Control
3927 Lennane Drive, Suite 100
Sacramento, California 95834
E-mail: Susie.smith@abc.ca.gov
Phone: (916) 928-6821
FAX: (916) 419-2599

AUTHORITY AND REFERENCE

Authority for the proposed amendment is provided by Government Code Sections 81008, 87300, 87304, and 87306.

The proposed amendment implements, interprets, or makes specific the following reference: Government Code Section 87300, et seq.

DOCUMENTS INCORPORATED BY REFERENCE

No documents are being incorporated by reference.

DISCLOSURES REGARDING THE
PROPOSED ACTION

ABC has made the following initial determinations:

LOCAL MANDATE

This amendment does not impose a mandate on local agencies or school districts.

COST TO ANY LOCAL AGENCY OR
SCHOOL DISTRICT THAT MUST BE
REIMBURSED IN ACCORDANCE WITH
GOVERNMENT CODE SECTIONS 17500–17630.

This amendment does not create costs to any local agency or school district that must be reimbursed in accordance with Government Code Sections 17500–17630.

IMPACT ON PRIVATE PERSONS/BUSINESSES

ABC is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

IMPACT ON BUSINESS

It is anticipated that the proposed amendment will not have a significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. Adoption of the proposed amendment will not create or eliminate jobs within California, will not create new businesses or eliminate existing businesses within California, and will not affect the expansion of businesses currently doing business within California.

IMPACT ON SMALL BUSINESS

The proposed amendment will not have a significant impact on small businesses. The proposed amendment will delete two job classifications from the list of designated employees required to file statements of economic interests that are no longer used by ABC and add one classification for an employee who should file a statement of economic interests.

SIGNIFICANT EFFECT ON HOUSING COSTS

The proposed amendment will have no effect on housing costs.

COST OR SAVINGS TO ANY STATE AGENCY

The proposed amendment will not result in costs or savings to any State agency.

OTHER NON-DISCRETIONARY COST OR
SAVINGS IMPOSED UPON LOCAL AGENCIES

This proposed amendment will not result in other non-discretionary costs or savings to local agencies.

COST OR SAVINGS IN FEDERAL
FUNDING TO THE STATE

This proposed amendment will not result in costs or savings in federal funding to the state.

CONSIDERATION OF ALTERNATIVES

ABC has determined that no reasonable alternative considered by ABC, or that has otherwise been identified and brought to the attention of ABC, would be more effective in carrying out the purpose for which the action is proposed, or would be as effective as and less burdensome to affected private persons than the proposed action.

ABC invites interested persons to present statements or arguments with respect to alternatives to the proposed amendment during the written comment period.

AVAILABILITY OF STATEMENT OF REASONS
AND TEXT OF PROPOSED REGULATIONS

ABC has prepared a written explanation of the reasons for the changes which is included in the Initial Statement of Reasons, and has all of the information available on which this proposal is based. ABC will have the entire rulemaking file available for inspection and copying throughout the rulemaking process at its Headquarters office located at 3927 Lennane Drive, Suite 100, Sacramento, California 95834. As of the date this notice is published in the Notice Register, the rulemaking file consists of this notice, the proposed text of the regulations, the Initial Statement of Reasons, the Economic and Fiscal Impact Statement (Form STD. 399), ABC's current organizational chart, a duty statement for the newly designated General Counsel position and a copy of the Supreme Court decision (case number S133331) its creation complied with, and duty statements for the Investigator and Investigator Assistant classifications. Also included are Attachment 4 from the minutes of SPB's November 2, 2010 board meeting at which the board adopted the Investigator class consolidation, and DPA Pay Letter 10–24A which includes changes in the classification and compensation plan made at the November 2, 2010 SPB board meeting. Upon its completion, the Final Statement of Reasons will be available and copies may be requested from ABC's contact person or viewed on the website.

CONTACT PERSONS

Copies may be obtained by accessing ABC's website at www.abc.ca.gov or by contacting:

Phone: (916) 419-2500
FAX: (916) 419-2599

AVAILABILITY OF CHANGED OR MODIFIED TEXT

After considering all timely and relevant comments received, ABC may adopt the proposed regulation amendment substantially as described in this notice. If ABC makes modifications that are sufficiently related to the originally proposed text, it will make the modified text (with the changes clearly indicated) available to the public for at least 15 calendar days before ABC adopts the regulations as revised. Requests for copies of any modified regulation should be sent to the ABC's contact person identified above at the address indicated, or may be viewed on ABC's website. ABC will accept written comments on the modified regulations for 15 calendar days after the date on which they are made available.

TITLE 5. COMMISSION ON TEACHER CREDENTIALING

Division VIII of Title 5 of the California Code of Regulations

Proposed Amendments to 5 California Code of Regulations Pertaining to the Education Specialist Instruction Credential

Notice of Proposed Rulemaking

The Commission on Teacher Credentialing proposes the regulatory action described below after considering all comments, objections and recommendations regarding the proposed action.

Public Hearing

A public hearing on the proposed actions will be held:

**June 2, 2011
9:00 a.m.**

**Commission on Teacher Credentialing
1900 Capitol Avenue
Sacramento, California 95811-4213**

Written Comment Period

Any interested person, or his or her authorized representative, may submit written comments by fax, through the mail, or by email on the proposed action. The written comment period closes at 5:00 p.m. on May 30, 2011. Comments must be received by that time or may be submitted at the public hearing. You may fax your response to (916) 322-0048; write to the California Commission on Teacher Credentialing, attn. Terri H. Fesperman, 1900 Capitol Avenue, Sacramento, California 95814-4213; or submit an email at tfesperman@ctc.ca.gov.

Any written comments received 18 days prior to the public hearing will be reproduced by the Commission's staff for each member of the Commission as a courtesy to the person submitting the comments and will be included in the written agenda prepared for and presented to the full Commission at the hearing.

Authority and Reference

Education Code section 44225 authorizes the Commission to promulgate rules and regulations that will implement, interpret or make specific sections 44225(e), 44225(q), and 44265 of the Education Code and govern the procedures of the Commission.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Summary of Existing Laws and Regulations

In June 2006, the Commission directed staff to begin the review and revision of the structure and requirements for the Special Education Teaching and Services Credentials and Added Authorizations. Later that summer, the State Budget Act included funds to carry out the review and the passage of SB 1209 (Chap. 517, Stats. 2006) authorizing the Commission to study the structure and requirements for the Education Specialist and Special Education Services Credentials.

In December 2007, the Commission approved the *Report to the Governor and Legislature on the Study of*

Special Education Certification which contained 25 recommendations for modifications and improvements for Special Education Teaching and Services Credentials and Added Authorizations. A Commission-established Design Team had the responsibility for developing a set of proposed *Standards of Program Quality and Effectiveness* for all Education Specialist and Services Credentials, credential authorization statements for teaching and services credentials, and added authorizations in special education.

In response to the repeated calls for a special education teaching authorization that focuses on communication, language, and literacy, the Workgroup and Design Team recommended the addition of an Education Specialist teaching authorization that focuses on those communication deficiencies that impede academic achievement. At the December 2008 meeting, the Commission approved the proposed Education Specialist: Communication Development teaching authorization. The Communication Development authorization was included in proposed regulations in 2009 but the authorization was withdrawn in summer 2010 after concern was expressed about the name of the new authorization.

The California Speech–Language–Hearing Association (CSHA) and Speech–Language Pathologists (SLP) expressed concerns about the similarity of the title “Communication Development” and the Communication Disorders or Communication Sciences degree programs offered at colleges and universities. The concern was expressed that individuals, including parents, would confuse the two distinct roles—the teacher who works with students who have been identified as having a language development disability and the SLP who provides services to the students who have been identified as having a language disorder. Commission staff met with CSHA leadership and all agreed on changing the title of the new authorization to the Education Specialist Credential in Language and Academic Development.

At the November 2010 Commission meeting, staff presented an agenda item entitled “Discussion of the Proposed New Education Specialist Teaching Credential Specialty Area Authorization” (<http://www.ctc.ca.gov/commission/agendas/2010-11/2010-11-2D.pdf>) which detailed the difference between the SLP Services Credential and the new LAD teaching authorization. The proposed authorization included in the November agenda item stated that the LAD authorization would not authorize instruction for any specific federal disability category but rather to teach students with specific identified instructional needs in language development across all the disability categories except for the Speech or Language Impairment category.

In discussions with employers following the November Commission meeting, there are four areas within the

Federal disability category of Speech or Language Impairment in which students may qualify for special education services: articulation disorder; abnormal voice; fluency disorders; and language disorder. While the first three areas clearly are for students needing speech therapy services provided by the holder of a SLP Services Credential, the last area, language disorder, is one that the student could be taught by the holder of a LAD authorization to assist the student in their academic communication and language needs. In addition, many of these students would also need speech therapy from an SLP Services Credential holder. Students who are eligible under the category of speech and language impairment may receive instructional services from the holder of the LAD authorization for academic support, in addition to, not instead of, speech and language services. Title 5 section 3030 which falls under the authority of the California Department of Education, details the eligibility criteria for special education services.

In December and January, Commission staff met with CSHA representatives and employer associations concerning this possible exception for the language disorder area of the Speech or Language Impairment category. All work collaboratively to create the language in the proposed regulations section 80048.6(c)(8) for the authorization of the LAD specialty area which includes the language disorder area of Speech or Language Impairment federal disability area.

Like all Education Specialist Teaching Authorizations, those holding the Language and Academic Development authorization may be the primary teacher of record, conduct educational assessments authorized by the credential, and provide resource services as well as collaboration, consultation, and co-teaching services in inclusive classroom settings. They are also authorized to serve as case managers, inclusion specialists and provide instruction in a variety of group settings and sizes if the local employer job duties fall within the authorization of the new specialty area. Teachers holding this authorization would serve students identified by an Individualized Education Program (IEP) who require services to support communication and social interaction skill development. The holder may also reinforce student’s communication and language development as a teacher in an academic setting.

The Special Education Workgroup and Design Team emphasized that the new teaching authorization does not replace the current Speech–Language Pathology Services Credential. It is important to understand that the Language and Academic Development teacher and the SLP services provider will work collaboratively much like all other special education teachers work with SLP providers when the students the individual teaches have identified needs in the area of speech and language therapy.

The purpose of the Education Specialist credential in Language and Academic Development is to provide highly needed support for academic and social success for special needs students. Individuals will be prepared to enhance skills in literacy, language and communication for special needs students. By incorporating the diagnostic and remedial skills of a general education reading specialist with the pragmatic and developmental skills of an Education Specialist serving Mild/Moderate students, the added components of language and communication skills assure that gaps are filled and missing links are found for children with special needs.

Education Specialist and Other Related Services Credentials (2008–10) Standards Program Standards (revised 3/11)

The California Commission on Teacher Credentialing awards credentials and certificates on the basis of completion of programs that meet Standards for Educator Preparation and Educator Competence. For each type of professional credential in education, the Commission has developed and adopted standards which are based upon recent research and the expert advice of many professional educators. Each standard specifies a level of quality and effectiveness that the Commission requires from programs offering academic and professional preparation in education. There are different types of program standards.

Preconditions

Preconditions are requirements that must be met in order for an accrediting association or licensing agency to consider accrediting a program sponsor or approving its programs or schools. Some preconditions are based on state laws, while other preconditions are established by Commission policy. Preconditions can be found within each program's standard document.

Common Standards

The Common Standards deal with aspects of program quality that cross all approved educator preparation programs. The institution responds to each Common Standard by providing pertinent information, including information about individual programs. When a new program is proposed, the institution submits a Common Standards Addendum to address how the new program will integrate with the already approved programs.

Educator Preparation Program Standards

Program standards address aspects of program quality and effectiveness that apply to each type of educator preparation program offered by a program sponsor. Program standards contain statements describing the nature and purpose of each standard and language that details the requirements that all approved programs must meet. Program sponsors must meet all applicable program standards before the program application may be approved by the Commission.

Documents Relied Upon in Preparing Regulations

Individuals with Disabilities Education Act (IDEA) Part B Regulations (34 CFR Parts 300 and 301)

Report on the Study of Special Education Certification: A Report to the Governor and Legislature as Required by SB 1209 (Chap.517, Stats, 2006)

Title 5 Section 3030

Disclosures Regarding the Proposed Actions

The Commission has made the following initial determinations:

Mandate to local agencies or school districts: None.

Other non-discretionary costs or savings imposed upon local agencies: None.

Cost or savings to any state agency: None.

Cost or savings in federal funding to the state: None.

Significant effect on housing costs: None.

Significant statewide adverse economic impact directly affecting businesses including the ability of California businesses to compete with businesses in other states: None.

These proposed regulations will not impose a mandate on local agencies or school districts that must be reimbursed in accordance with Part 7 (commencing with section 17500) of the Government Code.

Cost impacts on a representative private person or business: The Commission is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Assessment regarding the creation or elimination of jobs in California [Govt. Code §11346.3(b)]: The Commission has made an assessment that the proposed amendments to the regulations would not (1) create or eliminate jobs within California, (2) create new business or eliminate existing businesses within California, or (3) affect the

expansion of businesses currently doing business within California.

Effect on small businesses: The Commission has determined that the proposed amendment to the regulations does not affect small businesses. The regulations are not mandatory but an option that affects school districts and county offices of education.

Consideration of Alternatives

The Commission must determine that no reasonable alternative considered by the agency or that had otherwise been identified and brought to the attention of the agency would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons or small businesses than the proposed action. These proposed regulations will not impose a mandate on local agencies or school districts that must be reimbursed in accordance with Part 7 (commencing with section 17500) of the Government Code.

Contact Person/Further Information

General or substantive inquiries concerning the proposed action may be directed to Terri H. Fesperman by telephone at (916) 323-5777 or Terri H. Fesperman, California Commission on Teacher Credentialing, 1900 Capitol Ave, Sacramento, CA 95814. General question inquiries may also be directed to Janet Bankovich at (916) 323-7140 or at the address mentioned in the previous sentence. Upon request, a copy of the express terms of the proposed action and a copy of the initial statement of reasons will be made available. This information is also available on the Commission's web site at www.ctc.ca.gov. In addition, all the information on which this proposal is based is available for inspection and copying.

Availability of Statement of Reasons and Text of Proposed Regulation

The entire rulemaking file is available for inspection and copying throughout the rulemaking process at the Commission office at the above address. As of the date this notice is published in the Notice Register, the rulemaking file consists of this notice, the proposed text of regulations, and the initial statement of reasons.

Modification of Proposed Action

If the Commission proposes to modify the actions hereby proposed, the modifications (other than nonsubstantial or solely grammatical modifications) will be made available for public comment for at least 15 days before they are adopted.

Availability of Final Statement of Reasons

The Final Statement of Reasons is submitted to the Office of Administrative Law as part of the final rulemaking package, after the public hearing. When it is

available, it will be placed on the Commission's web site at www.ctc.ca.gov or you may obtain a copy by contacting Terri H. Fesperman at (916) 323-5777.

Authority and Reference

Pursuant to the authority vested by section 44225 of the Education Code, and to implement, interpret or make specific sections 44256(c) and 44265 of the Education Code, the Commission on Teacher Credentialing is proposing the addition of §80069.2 and amendments to §80070 of Title 5 of the California Code of Regulations.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Summary of Existing Laws and Regulations

The Commission directed staff to convene a Teaching Mathematics Advisory Panel (TMAP), which would include representatives from key stakeholder groups, to investigate the need for updating and revising the Mathematics Specialist Credential program standards in light of California K–Algebra I students’ poor performance in learning mathematics. Staff developed an application that was publicized widely through the Commission’s website, mathematics professional associations, the California Subject Matter Projects, and the Professional Services Division weekly e-news. Executive Director Dale Janssen appointed 20 members to the panel following a review of a large number of applications for the panel. The members were selected based on their expertise in mathematics and mathematics instruction. The panel membership represents diversity with respect to organizational affiliation, geographic region, and credentials held. In addition, a consultant from the California Department of Education (CDE) served as a liaison to the panel.

First, the panel proposes creating the Mathematics Instructional Added Authorization (MIAA). In considering what knowledge, skills, and experience an MIAA holder should have, the panel agreed that an individual with this authorization should be required to complete advanced preparation and field experience in both mathematics content and the pedagogy of mathematics above and beyond what is required for the multiple subject teaching credential. In addition, the panel recognized that within the MIAA option, some teachers would have the prerequisite math content mastery to obtain an added authorization that would go through but not beyond the level of mathematics typically taught in Kindergarten through Pre–Algebra, whereas other teachers might possess the math content that would authorize the teaching of mathematics in Kindergarten through Algebra I.

Further, the panel proposes revising and renaming the Specialist Instruction Credential in Mathematics to the Mathematics Instructional Leadership Specialist (MILS) Credential. As supported by the panel, this au-

thorization recognizes a higher level of specialized skills that will allow an individual to not only provide support to teachers, but also provide leadership at the K12 level with respect to the teaching and learning of mathematics.

New regulations are proposed to establish the Mathematics Instructional Added Authorization. Regulations for the current Mathematics Specialist Credential are proposed to be updated. For the MIAA, the proposed regulations will:

- 1) add the title of Mathematics Instructional Added Authorization,
- 2) establish the requirements to earn the two levels of the document, and
- 3) establish authorization statements.

For the Mathematics Specialist Credential, the proposed regulations will:

- 1) change the title to Mathematics Instructional Leadership Specialist Credential,
- 2) update the requirements and authorization statements, and
- 3) set a sunset date for the issuance of the ‘current’ Mathematics Specialist Instruction Credential for out-of-state prepared teachers.

The California Commission on Teacher Credentialing awards credentials and certificates on the basis of completion of programs that meet Standards for Educator Preparation and Educator Competence. For each type of professional credential in education, the Commission has developed and adopted standards which are based upon recent research and the expert advice of many professional educators. Each standard specifies a level of quality and effectiveness that the Commission requires from programs offering academic and professional preparation in education. There are different types of program standards.

Preconditions

Preconditions are requirements that must be met in order for an accrediting association or licensing agency to consider accrediting a program sponsor or approving its programs or schools. Some preconditions are based on state laws, while other preconditions are established by Commission policy. Preconditions can be found within each program’s standards document.

Common Standards

The Common Standards deal with aspects of program quality that cross all approved educator preparation programs. The institution responds to each Common Standard by providing pertinent information, including information about individual programs. When a new program is proposed, the institution submits a Common Standards Addendum to address how the new program will integrate with the already approved programs.

Educator Preparation Program Standards

Program standards address aspects of program quality and effectiveness that apply to each type of educator preparation program offered by a program sponsor. Program standards contain statements describing the nature and purpose of each standard and language that details the requirements that all approved programs must meet. Program sponsors must meet all applicable program standards before the program application may be approved by the Commission.

Documents Relied Upon in Preparing Regulations: *Update on the Work of the Teaching Mathematics Advisory Panel* — Presented to the Commission in December 2009 and available on the Commission's website at <http://www.ctc.ca.gov/commission/agendas/2009-12/2009-12-3F.pdf>.

Disclosures Regarding the Proposed Actions

The Commission has made the following initial determinations:

Mandate to local agencies or school districts: None.

Other non-discretionary costs or savings imposed upon local agencies: None.

Cost or savings to any state agency: None.

Cost or savings in federal funding to the state: None.

Significant effect on housing costs: None.

Significant statewide adverse economic impact directly affecting businesses including the ability of California businesses to compete with businesses in other states: None.

These proposed regulations will not impose a mandate on local agencies or school districts that must be reimbursed in accordance with Part 7 (commencing with section 17500) of the Government Code.

Cost impacts on a representative private person or business: The Commission is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Assessment regarding the creation or elimination of jobs in California [Govt. Code §11346.3(b)]: The Commission has made an assessment that the proposed amendments to the regulations would not (1) create or eliminate jobs within California, (2) create new business or eliminate existing businesses within California, or (3) affect the expansion of businesses currently doing business within California.

Effect on small businesses: The proposed regulations will not have a significant adverse economic impact upon business since they apply only to the requirements for added authorizations and credentials that authorize the instruction of mathematics in California's public schools.

Consideration of Alternatives

The Commission must determine that no reasonable alternative considered by the agency or that has otherwise been identified and brought to the attention of the agency will be more effective in carrying out the purpose for which the action is proposed or will be as effective as and less burdensome to affected private persons than the proposed actions.

Contact Person/Further Information

General or substantive inquiries concerning the proposed action may be directed to Tammy A. Duggan by telephone at (916) 323-5354 or Tammy A. Duggan, Commission on Teacher Credentialing, 1900 Capitol Avenue, Sacramento, CA 95811. General question inquiries may also be directed to Janet Bankovich at (916) 323-7140 or at the address mentioned in the previous sentence. Upon request, a copy of the express terms of the proposed action and a copy of the initial statement of reasons will be made available. This information is also available on the Commission's website at www.ctc.ca.gov. In addition, all the information on which this proposal is based is available for inspection and copying.

Availability of Statement of Reasons and Text of Proposed Regulations

The entire rulemaking file is available for inspection and copying throughout the rulemaking process at the Commission office at the above address. As of the date this notice is published in the Notice Register, the rulemaking file consists of this notice, the proposed text of regulations, and the initial statement of reasons.

Modification of Proposed Action

If the Commission proposes to modify the actions hereby proposed, the modifications (other than non-substantial or solely grammatical modifications) will be made available for public comment for at least 15 days before they are adopted.

Availability of Final Statement of Reasons

The Final Statement of Reasons is submitted to the Office of Administrative Law as part of the final rule-making package, after the public hearing. When it is available, it will be placed on the Commission's website at www.ctc.ca.gov or you may obtain a copy by contacting Tammy A. Duggan at (916) 323-5354.

Availability of Documents on the Internet

TITLE 5. COMMISSION ON TEACHER CREDENTIALING

Division VIII of Title 5 of the California Code of Regulations

Proposed Amendments and Deletions to 5 California Code of Regulations Pertaining to the Reading and Literacy Added Authorization and Leadership Specialist Credential

Notice of Proposed Rulemaking

The Commission on Teacher Credentialing proposes to amend regulatory action described below after considering all comments, objections and recommendations regarding the proposed action.

Public Hearing

A public hearing on the proposed actions will be held:

**June 2, 2011
9:00 a.m.**

**Commission on Teacher Credentialing
1900 Capitol Avenue
Sacramento, California 95811-4213**

Written Comment Period

Any interested person, or his or her authorized representative, may submit written comments by fax, through the mail, or by email on the proposed action. The written comment period closes at 5:00 p.m. on May

30, 2011. Comments must be received by that time or may be submitted at the public hearing. You may fax your response to (916) 322-0048; write to the California Commission on Teacher Credentialing, attn. Terri H. Fesperman, 1900 Capitol Avenue, Sacramento, California 95814-4213; or submit an email at tfesperman@ctc.ca.gov.

Any written comments received 18 days prior to the public hearing will be reproduced by the Commission's staff for each member of the Commission as a courtesy to the person submitting the comments and will be included in the written agenda prepared for and presented to the full Commission at the hearing.

Authority and Reference

Education Code section 44225 authorizes the Commission to promulgate rules and regulations that will implement, interpret or make specific sections 44225(e), 44225(q), and 44265 of the Education Code and govern the procedures of the Commission.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Summary of Existing Laws and Regulations

In April 2008, the Commission directed staff to convene a panel of reading instruction specialists, from both the Pre-K and educator preparation communities to review the current Reading Certificate and Reading and Language Arts Specialist Credential Program Standards. These standards were last updated in August 1999 and were aligned with the previous Multiple and Single Subject Teacher Preparation Program Standard 7, the 1997 *K-12 English-Language Arts Content Standards*, and the draft 1999 *K-12 Reading/Language Arts Framework*. These documents have been superseded by the recently adopted Multiple and Single Subject Teacher Preparation Program Standards 7A, 7B, and 8B(d); the newly adopted Reading Instruction Competence Assessment (RICA) (<http://www.rica.nesinc.com/>) content specifications; and the new K-12 Reading/Language Arts (RLA) Framework (2007).

The Reading Advisory Panel met from June 2008 through August 2010. Two updates of the panel's progress were presented to the Commission at the October 2008 and April 2009 meetings. The Commission approved the revised and updated *Standards of Program Quality and Effectiveness* for the Reading and Literacy Added Authorization and Reading and Literacy Leadership Specialist Credential in September 2010.

The panel intended that the revised standards create a clear continuum of knowledge, skills, and responsibilities beginning with the new beginning multiple subject teacher who passed the Reading Instruction Competence Assessment (RICA) to the Reading and Literacy Added Authorization and finally to the Reading and

Literacy Leadership Specialist Credential. Furthermore, panel members created standards that articulated the reciprocal roles among the skills of reading, speaking, listening, and writing and emphasized the importance of cultivating a culture of literacy in classrooms, schools, and districts, in which all activities of a school day, in all content areas, provide opportunities for students to practice using language by speaking, listening, reading, and writing.

Proposed Additions and Amendments

Regulations for both the current Reading and Language Arts Specialist Credential and the Reading Certificate are proposed to be updated. For the Reading Certificate, the proposed regulations will:

- 1) change the title to Reading and Literacy Added Authorization,
- 2) add National Board Certification as a route to earn the authorization, and
- 3) update the requirements and authorization statement.

For the Reading Specialist Credential, the proposed regulations will:

- 1) change the title to Reading and Literacy Leadership Specialist Credential and
- 2) update the requirements and authorization statement.

Documents Incorporated by Reference

Reading and Literacy Added Authorization and Reading and Literacy Leadership Specialist Credential Program Standards (revised 3/11)

The California Commission on Teacher Credentialing awards credentials and certificates on the basis of completion of programs that meet Standards for Educator Preparation and Educator Competence. For each type of professional credential in education, the Commission has developed and adopted standards which are based upon recent research and the expert advice of many professional educators. Each standard specifies a level of quality and effectiveness that the Commission requires from programs offering academic and professional preparation in education. There are different types of program standards.

Preconditions

Preconditions are requirements that must be met in order for an accrediting association or licensing agency to consider accrediting a program sponsor or approving its programs or schools. Some preconditions are based on state laws, while other preconditions are established by Commission

policy. Preconditions can be found within each program's standard document.

Common Standards

The Common Standards deal with aspects of program quality that cross all approved educator preparation programs. The institution responds to each Common Standard by providing pertinent information, including information about individual programs. When a new program is proposed, the institution submits a Common Standards Addendum to address how the new program will integrate with the already approved programs.

Educator Preparation Program Standards

Program standards address aspects of program quality and effectiveness that apply to each type of educator preparation program offered by a program sponsor. Program standards contain statements describing the nature and purpose of each standard and language that details the requirements that all approved programs must meet. Program sponsors must meet all applicable program standards before the program application may be approved by the Commission.

Disclosures Regarding the Proposed Actions

The Commission has made the following initial determinations:

Mandate to local agencies or school districts: None.

Other non-discretionary costs or savings imposed upon local agencies: None.

Cost or savings to any state agency: None.

Cost or savings in federal funding to the state: None.

Significant effect on housing costs: None.

Significant statewide adverse economic impact directly affecting businesses including the ability of California businesses to compete with businesses in other states: None.

These proposed regulations will not impose a mandate on local agencies or school districts that must be reimbursed in accordance with Part 7 (commencing with section 17500) of the Government Code.

Cost impacts on a representative private person or business: The Commission is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Assessment regarding the creation or elimination of jobs in California [Govt. Code §11346.3(b)]: The Commission has made an assessment that the proposed amendments to the regulation would not (1) create nor eliminate jobs within California, (2) create new business or eliminate existing businesses within California, or (3) affect the expansion of businesses currently doing business within California.

Effect on small businesses: The Commission has determined that the proposed amendment to the regulations does not affect small businesses. The regulations are not mandatory but an option that affects school districts and county offices of education.

Consideration of Alternatives

The Commission must determine that no reasonable alternative considered by the agency or that has otherwise been identified and brought to the attention of the agency would be more effective in carrying out the purpose for which the action is proposed or would be as effective as and less burdensome to affected private persons or small businesses than the proposed action.

TITLE 16. CALIFORNIA PROFESSIONAL FIDUCIARIES BUREAU

DEPARTMENT OF CONSUMER AFFAIRS

NOTICE IS HEREBY GIVEN that the Professional Fiduciaries Bureau (hereinafter referred to as "Bureau"), Department of Consumer Affairs (hereinafter referred to as "Department"), is proposing to take the action described in the Informative Digest. Any person interested may present statements or arguments orally or in writing relevant to the **Reporting Requirements, Citation and Fine, Enforcement, Code of Ethics, and Cleanup Changes** proposed at a hearing to be held at the:

Van Nuys State Building
6150 Van Nuys Blvd.
1st Floor Auditorium
Van Nuys, CA 91401
on
Thursday, June 2, 2011
At 9:00 a.m.

Written comments, including those sent by mail, facsimile, or e-mail to the addresses listed under Contact Person in this Notice, must be received by the Bureau at its office not later than 5:00 p.m. on **June 2, 2011**, or at the hearing. The Bureau, upon its own motion or at the instance of any interested party, may thereafter adopt the proposals substantially as described below or may modify such proposals if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as

contact person and will be mailed to those persons who submit written or oral testimony related to this proposal or who have requested notification of any changes to the proposal.

Authority and Reference: Pursuant to the authority vested by Sections 125, 125.9, 148, 481, 482 and 6517 of the Business and Professions Code, and Government Code Section 11425.50 to implement, interpret or make specific Sections 125.3, 125.6, 125.9, 141, 148, 480(a), 481, 482, 490, 496, 6534, 6536, 6560, 6561, 6580, 6583, and 6584 of the Business and Professions Code and Sections 11425.50(e) and 11519 of the Government Code, the Bureau, the Department, is considering changes to Division 41 of Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

The Professional Fiduciaries Bureau (Bureau) was created by legislation enacted in 2007 (SB 1550, Figueroa, Chapter 491, Statutes of 2006) to regulate non-family member professional fiduciaries, including conservators, guardians, trustees, and agents under durable power of attorney as defined by the Professional Fiduciaries Act (Business and Professions (Bus.&Prof.) Code § 6500 et seq.). The Bureau is under the authority of the Department of Consumer Affairs and is responsible for licensing and regulating professional fiduciaries under the Professional Fiduciaries Act. Professional fiduciaries provide critical services to seniors, disabled persons, and children. They manage matters for clients including daily care, housing and medical needs, and also offer financial management services ranging from basic bill paying to estate and investment management.

The protection of the public is the Bureau's highest priority. (Bus.&Prof. Code § 6516.) The Bureau achieves this goal through the following primary methods: issuing licenses to eligible and qualified applicants; investigating complaints against professional fiduciaries; and disciplining licensees for violation of the Act. The Bureau is proposing the regulatory changes described below in order to enhance its disciplinary function and strengthen its enforcement program to better achieve its public protection mandate.

Article 2. Application and Licensure

1. Amends Section 4422.
This amendment makes a technical cleanup correcting the use of the word, "licensee" with the correct word "applicant."

Article 3. Prelicensing and Continuing Education

2. Amends Section 4440.
This amendment removes the references to two California Rules of Court.

3. Amend Section 4446.
This amendment adds two additional approved education providers:
 - Any Long-Term Care Ombudsman program certified by the California Department of Aging.
 - An Internal Revenue Service/Office of Professional Responsibility approved program sponsor for continuing education for enrolled agents.

Article 4. Code of Ethics

4. Add Subsection (f) and (g) of Section 4470.
This amendment adds an affirmative duty upon the licensee to provide or arrange for services that are in the best interest and needs of the consumer.
5. Add Subsection (g) of Section 4482.
This amendment prohibits a licensee from recovering expenses associated with complying or defending against a citation issued by the Professional Fiduciaries Bureau or complying with any terms and conditions of probation.

Article 9. Reporting Requirements

6. Add Section 4544.
This section adds and specifies the ongoing reporting duties for licensure. Specifically, it requires that certain information be reported to the Bureau within 15 days of occurrence.

Article 10. Citations

7. Add Section 4600.
This section establishes the Bureau's authority to issue citations and establishes a citation format.
8. Add Section 4602.
This section defines the maximum administrative fine amount of \$5,000 that can be assessed on a citation issued by the Bureau.
9. Add Section 4604.
This section specifies factors to consider when determining the amount of an administrative fine.
10. Add Section 4606.
This section would establish the process for contesting a citation and holding an informal conference.
11. Add Section 4608.
This section authorizes the Bureau to take administrative action against licensees when they fail to comply with a citation.
12. Add Section 4610.
This section establishes order of abatement procedures.

Article 11. Enforcement

13. Add Section 4620.

This section specifies substantially related criteria for license suspension or revocation.

14. Add Section 4622.

This section specifies rehabilitation criteria for license suspension or revocation.

15. Add Section 4624.

This section specifies disciplinary guidelines for enforcement actions.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None.

Nondiscretionary Costs/Savings to Local Agencies: None.

Local Mandate: None.

Cost to Any Local Agency or School District for Which Government Code Section 17561 Requires Reimbursement: None.

Business Impact:

The Bureau has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

Impact on Jobs/New Businesses:

The Bureau has determined that this regulatory proposal will not have a significant impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Cost Impact on Representative Private Person or Business:

The costs impact of the regulation include only those expenses associated with complying with record reporting requirements and administrative actions initiated by the Bureau for failing to be in compliance with the Professional Fiduciaries Act and other applicable laws, rules or regulations.

Effect on Housing Costs: None.

EFFECT ON SMALL BUSINESS

In addition to reporting requirements, the Bureau has determined that the proposed regulations would only affect small fiduciary businesses that are subject to licensing under the Act that become subjects of enforcement actions.

CONSIDERATION OF ALTERNATIVES

The Bureau must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.

INITIAL STATEMENT OF REASONS AND INFORMATION

The Bureau has prepared an initial statement of the reasons for the proposed action and has available all the information upon which the proposal is based.

TEXT OF PROPOSAL

Copies of the exact language of the proposed regulations and of the initial statement of reasons, and all of the information upon which the proposal is based, may be obtained at the hearing or prior to the hearing upon request from the Professional Fiduciaries Bureau at 1625 North Market Blvd., Suite S-202, Sacramento, CA 95834.

AVAILABILITY AND LOCATION OF THE FINAL STATEMENT OF REASONS AND RULEMAKING FILE

All the information upon which the proposed regulations are based is contained in the rulemaking file which is available for public inspection by contacting the person named below.

You may obtain a copy of the final statement of reasons once it has been prepared, by making a written request to the contact person named below **[or by accessing the website listed below]**.

GENERAL PUBLIC INTEREST

DEPARTMENT OF FISH AND GAME

CALIFORNIA ENDANGERED SPECIES ACT INCONSISTENCY DETERMINATION NO. 2080-2011-008-03

Project: Shamrock, Ghilotti, and Terra Bagnata
Projects
Location: Sonoma County
Applicant: Shamrock Materials, Inc. and Terra
Bagnata L.L.C.
Notifier: Lucy Macmillan

Background

The Shamrock, Ghilotti, and Terra Bagnata Projects (collectively, the Project) consists of two components: Shamrock Materials, Inc. proposes to construct an operational facility, and Shamrock Materials, Inc. and Terra Bagnata L.L.C. (Applicant) propose to build the Terra Bagnata Wetlands Mitigation Project to compensate for impacts construction of the operational facility will have on California tiger salamander (*Ambystoma californiense*) (CTS) and to fulfill federal Clean Water Act Section 404 permit (Corps File No. 26934N) requirements to mitigate the effects of prior activities at 304 Ghilotti Avenue, Santa Rosa, California, to CTS, wetlands, and federally endangered plant species. The Project includes the following:

The Shamrock Site

The proposed operational facility will consist of construction and related development activity on a 17.5-acre site located at 290 Todd Road in Santa Rosa, California (Shamrock site). Upon completion, the facility will consist of a ready-mix concrete plant, sand and gravel processing plant, concrete and asphalt recycling plant, and topsoil composting operations. Construction

and development of the operational facility will impact a portion of the 17.5-acre site described as both 15 and 15.5 acres in the Biological Opinion (Service file No. 1-1-06-F-0525) (BO) issued for the Project by the United States Fish & Wildlife Service (Service).

Terra Bagnata Wetlands Mitigation Site

The Terra Bagnata site consists of two parcels that cover a total of 50.18 acres located south of the terminus of Butler Road in Santa Rosa, California (APN 134-051-016 and APN 134-051-005) (Terra Bagnata site). The Applicant will create 10.24 acres of seasonal wetlands and swales, enhance approximately 6.14 acres of seasonal wetlands, and preserve 2.57 acres of seasonal wetlands. Habitat creation, enhancement, and preservation at the Terra Bagnata site are intended to compensate for Project-related impacts at the Shamrock site on CTS. The habitat creation, enhancement, and preservation is also intended to fulfill mitigation obligations under a Clean Water Act Section 404 permit for the placement of fill in jurisdictional wetlands, and related impacts to CTS and federally endangered plant species at 304 Ghilotti Avenue.

Construction at the Shamrock and Terra Bagnata sites will occur concurrently. Prior to commencement of grading, invasive weeds within the impacted wetlands will be eradicated at both the Shamrock and Terra Bagnata sites. Prior to grading the Shamrock site, topsoil will be salvaged from 4.4 acres of wetlands that will be impacted by Project activities. The salvaged topsoil will be used to create the new wetlands at the Terra Bagnata site.

The Project activities described above at the Shamrock and Terra Bagnata sites are expected to incidentally take CTS. In particular, CTS could be incidentally taken as a result of being crushed and/or entombed in burrows. The Sonoma County Distinct Population Segment of CTS is listed as an endangered species under the federal Endangered Species Act (ESA) (16 U.S.C. § 1531 et seq.) and as a threatened species throughout its range in California under the California Endangered Species Act (CESA) (Fish and Game Code, § 2050 et seq.). (See Cal. Code Regs., tit. 14, § 670.5, subd. (b)(3)(G).)

CTS individuals are documented as present within 2,200 feet of the Shamrock site and are documented as present within the boundaries of the Terra Bagnata site. Suitable CTS habitat exists within and is adjacent to both the Shamrock and Terra Bagnata sites. Because of the documented presence of CTS on the Terra Bagnata site, the documented proximity of CTS to the Shamrock site, dispersal patterns of CTS, and the presence of suitable CTS habitat both within and adjacent to the Shamrock and Terra Bagnata sites, the Service determined that CTS is reasonably certain to occur within the Proj-

ect area and that Project activities are expected to result in the incidental take of CTS. According to the Service, the Project will result in the temporary loss of 45.21 acres of aquatic and upland CTS habitat at the Terra Bagnata site, and the Project will result in the permanent loss of 15.5 acres of aquatic and upland CTS habitat at the Shamrock site.

Because the Project is expected to result in take of a species designated as endangered under the federal ESA, the U.S. Army Corps of Engineers (Corps) consulted with the Service as required by the ESA. On May 24, 2008, the Service issued the BO for the Project as referenced above to the Corps. The BO describes the Project, requires the Applicant to comply with terms of the BO and its incidental take statement (ITS), and incorporates additional measures. The measures in the BO for CTS include, among others:

- Post-construction maintenance of the Terra Bagnata site will occur in perpetuity as specified in the *Final Management Plan for the Terra Bagnata Wetlands Mitigation Site, Santa Rosa, California, December 7, 2007* (Management Plan).
- Prior to ground-breaking activities at the Terra Bagnata site, the Applicant will provide a performance bond to the Army Corps of Engineers in the amount of construction costs, which are still unspecified.
- Following completion of the project activities at the Terra Bagnata site and acceptance by the Corps, Service, and the Department of Fish and Game (DFG), the construction performance bond will be released and the Applicant will provide a performance bond of an amount to be approved by the Corps, Service, and DFG to cover the cost of a short-term monitoring and maintenance program.
- Upon completion of the short-term monitoring and maintenance program, the Applicant will provide the Service and Corps documentation that: (1) funds for the long-term management have been transferred to DFG; (2) DFG has accepted the funds and considers them adequate; and (3) these funds have been deposited in an endowment account.
- A Service-approved biologist will be responsible for training the biological monitor and relocating CTS, if found, on the Project sites.

On February 28, 2011 the Director of DFG received a request from Lucy MacMillian, on behalf of the Applicant, for a determination pursuant to Fish and Game Code section 2080.1 that the BO and its related ITS are consistent with CESA for purposes of the Project and CTS. (Cal. Reg. Notice Register 2011, No. 10-Z, p. 352.)

Determination

After review and consideration of the BO, including the ITS, DFG has determined the BO and ITS are **not consistent** with CESA because the required measures do not meet the conditions set forth in Fish and Game Code section 2081, subdivisions (b) and (c), for authorizing incidental take of CESA-listed species. This determination is based on the following considerations:

1. The BO requires post-construction maintenance of the Terra Bagnata site to be conducted according to the Management Plan. However, implementation of the Management Plan will not minimize and fully mitigate Project impacts of the taking on CTS due to the deficiencies listed below. The BO and ITS, in this respect, do not meet and are not consistent with the requirements of Fish and Game Code section 2081, subdivision (b)(2).
 - The Corps, the Service, and the North Coast Regional Water Quality Control Board may relieve the Applicant from management tasks, including without the approval of or other consultation with DFG.
 - The Management Plan may be amended, including without the approval of or other consultation with DFG.
 - The Management Plan does not require the Applicant to submit monitoring reports to DFG.
 - The Management Plan goal to preserve 2.1 acres of seasonal wetlands is inconsistent with and does not meet the avoidance and conservation measure in the BO requiring the preservation of 2.57 acres of seasonal wetlands.
 - The Management Plan fails to specify that Terra Bagnata L.L.C. will be responsible for long-term management of the Terra Bagnata site after the interim management period.
 - The Management Plan's discussion of invasive species management is insufficiently detailed to determine whether favorable habitat conditions for CTS will be maintained and whether additional potential adverse impacts to or take of CTS due to the application of pesticides will be avoided.
 - The Management Plan's discussion of vegetation and fire management is insufficiently detailed to determine whether favorable habitat conditions for CTS will be maintained, including addressing whether additional potential adverse impacts to or take of CTS due to disking will be avoided.

2. DFG also finds that the BO and ITS do not meet and are not consistent with Fish and Game Code section 2081, subdivision (b)(2), because there is insufficient information to indicate that the identified measures for Project impacts of the taking of CTS are capable of successful implementation. The BO does not provide DFG with any authority to approve various conditional take minimization and mitigation measures, nor does it require the Applicant to provide notification to DFG for issues related to conditions in the BO, including approval of biologists, reporting of CTS encounters, and post-construction compliance reports.
3. The BO requires the Applicant to provide a performance bond of an unspecified amount to the Corps prior to ground-breaking activities, and to provide after construction funding assurance for both the interim management period and long-term management. The amount of the financial security for the interim management period will be determined by the Corps. The Property Analysis Record-equivalent analysis in the Management Plan does not reflect current costs and omits necessary items, including the cost for conservation easement monitoring and mosquito abatement. In this respect, it is unclear when long-term funding assurances will be provided relative to the timing of Project impacts, the related cost assessment is outdated and incomplete, the amount of the performance security and other financial assurances are not subject to DFG approval, and DFG will not have unrestricted access in its sole discretion to the performance security in the event the Applicant fails to perform under the BO and ITS. DFG finds for the same reason that the BO and the ITS do not meet and are not consistent with the funding assurance requirements set forth in Fish and Game Code section 2081, subdivision (b)(4).

For the reasons described above, DFG has determined based on substantial evidence that the BO for the Project, including its ITS, is not consistent with CESA as it pertains to the incidental take of CTS by the Applicant during implementation of the Project. The BO and ITS are not consistent with CESA because Project impacts of the taking will not be minimized and fully mitigated by measures capable of successful implementation, and because the Applicant is not required to ensure adequate funding to implement those measures and for monitoring compliance with, and the effectiveness of, those measures. (Fish & G. Code, § 2081, subd. (b)(2), (4).) With this determination, incidental take of CTS

associated with the Project may only be authorized as otherwise provided by CESA. (*Id.*, § 2080.1, subd. (c).)

In making this determination, DFG acknowledges that the Service BO for the Project also addresses three federally endangered plant species. These plant species, Sonoma sunshine (*Blennosperma bakeri*), Burke's goldfield (*Lasthenia burkei*), and Sebastopol meadowfoam (*Limnanthes vinculans*), are also designated as endangered species under CESA. (Cal. Code Regs., tit. 14, § 670.2, subd. (a)(4)(B), (L), and (21)(D).) The BO indicates Service protocol level surveys were conducted at the Project site. None of these species were observed at the Shamrock site and Sonoma sunshine and Sebastopol meadowfoam were observed only at the Terra Bagnata site. The BO indicates, however, that a seed bank may still be present in the soil and may be lost due to Project related construction activities at the Shamrock site. The BO also indicates that the existing populations of Sonoma sunshine and Sebastopol meadowfoam will be avoided during Project activities at the Terra Bagnata site. Consistent with federal law, the BO and ITS do not provide and no take authorization is necessary under the ESA for these plant species. In the absence of federal authorization consistent with Fish and Game Code section 2080.1, subdivision (a), there is no basis for DFG to determine the consistency of the BO and ITS with CESA for purposes of the three State endangered plant species. DFG finds for the same reason, including the possible destruction of seed banks, that the BO and ITS are not consistent with CESA for purposes of the three plant species.

SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986 (Proposition 65)

NOTICE TO INTERESTED PARTIES April 15, 2011

A CHEMICAL LISTED EFFECTIVE
April 15, 2011
 AS KNOWN TO THE STATE OF CALIFORNIA
 TO CAUSE CANCER

The Office of Environmental Health Hazard Assessment (OEHHA) within the California Environmental Protection Agency is adding *epoxiconazole* (CAS No. 135319-73-2) to the list of chemicals known to the state to cause cancer for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65¹). The listing of *epoxiconazole* is effective **April 15, 2011**.

The listing of *epoxiconazole* is based on a formal identification by an authoritative body², the U. S. Envi-

ronmental Protection Agency (U.S. EPA), that the chemical causes cancer. The criteria used by OEHHA for the listing of chemicals under the “authoritative bodies” mechanism can be found in Title 27, Cal. Code of Regs., section 25306.

The documentation supporting OEHHA’s determination that the criteria for administrative listing have been satisfied for this chemical is included in the Notice of Intent to List Epoxiconazole published in the February 5, 2010 issue of the *California Regulatory Notice Register* (Register 2010, No. 6-Z).

A complete, updated Proposition 65 list is published elsewhere in this issue of the *California Regulatory Notice Register* and is available on the OEHHA website at <http://www.oehha.ca.gov/prop65.html>.

CHEMICALS KNOWN TO THE STATE TO CAUSE CANCER

The Safe Drinking Water and Toxic Enforcement Act of 1986 requires that the Governor revise and republish at least once per year the list of chemicals known to the State to cause cancer or reproductive toxicity. The identification number indicated in the following list is the Chemical Abstracts Service (CAS) Registry Number. No CAS number is given when several substances are presented as a single listing. The date refers to the initial appearance of the chemical on the list. For easy reference, chemicals which are shown underlined are newly added. Chemicals which are shown with a strikethrough were placed on the list with the date noted, and have subsequently been removed.

CALIFORNIA DEBT LIMIT ALLOCATION
COMMITTEE
Administration of CA's Limited Tax-Exempt Debt Authority

The California Debt Limit Allocation Committee (CDLAC) submitted this emergency readopt action to extend the deemed emergency regulations adopted in OAL File Nos. 2010-0701-02ER and 2010-0720-09ER, which were consolidated into one action in OAL File No. 2010-1227-02EE. As provided under the Internal Revenue Code and the American Recovery and Reinvestment Act of 2009, and related federal regulations, states are authorized to allocate or reallocate a limited amount of tax-exempt private activity bonds for issuance each calendar year by state and local agencies. The emergency regulations established comprehensive regulations with accompanying incorporated by reference forms for CDLAC's administration of California's state ceiling allocation authority.

DEPARTMENT OF INSURANCE

Recognition of Same Sex Marriage in the CAARP Manual

The Department of Insurance is making a change without regulatory effect to section 2498.4.9 of title 10 of the California Code of Regulations. This section incorporates by reference the California Automobile Assigned Risk Plan (CAARP) Plan of Operations, which is being amended to refer to married couples as "spouses" instead of "husband and wife." This amendment is being made in response to Senate Bill 54, the Marriage Recognition and Family Protection Act, which recognizes all same sex marriages legally performed in California and other jurisdictions. This change has no impact on premiums or the way coverage is offered to the insured or by the insurer, and will ensure that coverage is accurately placed without unnecessary delay.

FAIR POLITICAL PRACTICES COMMISSION

Financial Disclosure by Employees of Newly Created Agencies

This emergency regulatory action is a follow up to the Commission's prior emergency action (OAL file no. 2011-0216-03FPPE), both dealing with financial disclosure by employees of newly created agencies. This current action adopts subdivision (c) of section 18734, which had inadvertently been left out of the prior filing. Pursuant to California Code of Regulations, title 2, section 18312(c)(3), this emergency regulatory action is effective February 10, 2011.

FISH AND GAME COMMISSION

Incidental Take of Mountain Yellow-Legged Frog During Candidacy

This is a readopt of a prior emergency regulatory action that allowed the incidental take of Mountain Yel-

low-legged Frog during its candidacy for listing as an endangered or threatened species under the California Endangered Species Act (CESA), in accordance with Fish and Game Code section 2084.

This action provides for take incidental to seven different activities (e.g., scientific collection, fire prevention, water storage, etc.). The Fish & Game Commission has historically relied on the authority in section 2084 to permit take of candidate species on numerous occasions, most recently in 2009.

STATE ALLOCATION BOARD
Leroy F. Greene School Facilities Act 1998 — Fiscal Crisis Regulations Six-Month Extensions

These emergency regulatory amendments extend until July 1, 2011 the sunset date of three sections that became inoperative on January 1, 2011. Extending these sections allows the Board to move projects from “inactive” status approved but unfunded SFP projects when funding becomes available. The extension also keeps financial hardship determinations in effect until July 1, 2011 for previously approved projects which the State has been unable to fund due to the lack of AB 55 loans.

STATE WATER RESOURCES CONTROL BOARD
SD Revised TMDL for Indicator Bacteria, Project I

This filing is a Basin Plan Amendment submitted to OAL by the State Water Resources Control Board

(SWRCB) and subject to OAL review under Government Code section 11353.

The Regional Water Quality Control Board, San Diego Region (San Diego Water Board), adopted a Basin Plan Amendment for the San Diego Region Water Quality Control Plan intended to reduce indicator bacteria concentration levels in twenty beaches and creeks located in the San Diego area. After adoption, the San Diego Water Board submitted the Basin Plan Amendment to the SWRCB which then approved the amendment and submitted it to OAL.

This Basin Plan Amendment includes Total Maximum Daily Loads (TMDLs) for total coliform, fecal coliform, and Enterococcus indicator bacteria, including allowable wet weather and dry weather exceedance frequencies, applicable to twenty impaired bodies of water within or hydraulically downstream of five watersheds in Orange and Riverside Counties and eight watersheds in San Diego County. The Amendment also includes an implementation program for the responsible parties and a tracking and evaluation schedule for the TMDLs.
